3/4" 1" 1 1/2" 2"

Fire Suppression

Will dwelling(s)/building(s) have a fire suppression system Y N N/A

If yes, specify type of fire suppression system to be installed: _____

Notes

**purchase of this tap is for future development - construction plans will be required for review prior to building permit sign off to ensure tap purchase is sufficient for the future project per Animas Water Company ("the Company") Rules and Regulations. Tap for an empty lot will be sold as a single family tap unless otherwise requested.

***Existing dwellings/buildings served by private water source or with a fire suppression system must complete the attached Site Visit and Backflow Exemption form, and a site visit will be required before the water service application will be approved.

ANIMAS WATER COMPANY

P.O. Box 1012
Durango, CO 81302

Tel: (970) 259-4788
awc@animaswatercompany.com

Applicant to review and initial below (required):

- _____ 1. Applicant agrees to include the following required documents with application:
- Aerial Map of property with building site marked.
 - Construction plans/engineering plans - required for any new construction and/or additions to existing dwellings.
 - Site Visit and Backflow Exemption Form if existing dwelling/building is served by a private water source
 - Statement of Authority or Trust Documents: *if owner is LLC or Partnership, a Statement of Authority is required, if owner is a Trust, trust documents showing designated trustee(s) required
- _____ 2. If an easement is necessary to install a water line, it is the applicant's responsibility to acquire the said easement.
- _____ 3. Once the \$50.00 application fee and completed Water Service Application and required documents are received, Animas Water Company (AWC) will review and if approved, provide to the applicant the total balance due for the approved tap purchase on a separate document (Water Service Contract).
- _____ 4. Plant Investment Fees are non-refundable, and tap cannot be moved from the property listed on the application. If a subdivision of property occurs, the tap will remain in the original location.
- _____ 5. An initialed and signed Water Service Contract (by owner or designated agent) with payment in full must be received and reviewed before an authorized AWC employee will sign off on the form and the transaction will be considered completed. Building permit applications will not be signed off on until the Water Service Contract is finalized.
- _____ 6. Upon finalization of the Water Service Contract a new account will be created in the AWC database and monthly billing will commence. The standard base fee will be charged for the designated account type, regardless of whether there is water use, or if a meter has been installed.
- _____ 7. If, after the approved purchase of a water tap, as shown on the finalized Water Service Contract, any additional dwellings or units are found to have been added to this property which were not included on this original application, the Applicant will be required to purchase additional water taps as deemed necessary by the Company.

Required Documents Attached - mark with an X or N/A

- _____ Aerial Map of property with building site marked.
- _____ Construction/engineering plans - required for any new construction and/or additions to existing dwellings if available
- _____ Site Visit and Backflow Exemption Form if existing dwelling/building is served by a private water source
- _____ Statement of Authority or Trust Documents: *if owner is LLC or Partnership, a Statement of Authority is required, if owner is a Trust, trust documents showing designated trustee(s) required

By signing and submitting this application with the required documents and the \$50.00 application fee, I acknowledge that this is only an application for Animas Water Company to consider my request to purchase a water tap, does not constitute approval of the requested water tap, nor will AWC sign off on any building permit until the water tap purchase complete.
