1 Once a water tap is purchased, the monthly base fee will be charged regardless of water use or meter installation.

2 All separately owned **residential uses***** shall have individual meters and services to each unit from a Company Main. (Exception, see condominiums in #3 below)

3 The Multi-Family Surcharge applies to each unit above the first on a single water service such as duplexes, apartments, mobile home parks or consecutive systems.

4 Residential units such as apartments, cabins or mobile homes, or consecutive systems which will remain under the same owner in perpetuity are to be charged as Multi-Family uses as in #2 above.

5 Condominiums or apartments within the same building shall have one meter and service per building and fees charges as in #2 Multi-Family above.

6 The High Elevation User Fee is to cover costs of pumping and maintenance of the higher elevation services on separate pressure zones.

residential uses *** (townhomes, home, triplexes, mobile homes, consecutive systems)
